

## Step 2: Do any household members currently participate in SNAP, TANF, or FDPIR?

If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals:

- The Supplemental Nutrition Assistance Program (SNAP) or FoodShare
- Temporary Assistance for Needy Families (TANF) or W-2 Cash Benefits
- The Food Distribution Program on Indian Reservations (FDPIR).

**A) If no one in your household participates in any of the above listed programs:**

- Check "No" in **Step 2** and go to **Step 3**.

**B) If anyone in your household participates in any of the above listed programs:**

- Write a case number for SNAP, TANF, or FDPIR. You only need to provide one case number. If you participate in one of these programs and do not know your case number, contact: <https://www.dhs.wisconsin.gov/forwardhealth/imagency/index.htm>
- Go to **Step 4**.

## Step 3: List ALL household members and income for each member

**How do I report my income?**

- Use the lists titled "**Sources of Income**" & "**Examples of Income for Children**," on the back side of the application form to determine if your household has income to report.
- Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents.
  - Gross income is the total income received **before** taxes and deductions.
  - Many people think of income as the amount they "take home" and not the total, "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.
- Write a "0" in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write "0" or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials suspect that your household income was reported incorrectly, your application will be investigated.
- Mark how often each type of income is received using the check boxes to the right of each field.

### 3.A. Report income earned by adults

**Who should I list here?**

- When filling out this section, please include ALL adult members in your household who are living with you and share income and expenses, even if they are not related and even if they do not receive income of their own.
- **Do NOT include:**
  - People who live with you but are not supported by your household's income AND do not contribute income to your household.
  - Infants, children and students already listed in **Step 1**.
